## Above the Trees

OCTOBER 28 (MONDAY): 4:00, 7:00pm  
WITH DIRECTOR & PRODUCER IN PERSON!

From the filmmakers of *Phoenix, Oregon* comes this new touring feature that's part character study and part courtroom drama with just a pinch of metaphysical sparkle. A good man is assaulted and left in a serious coma, and his best friend, a local boxer, is charged with the crime. The story follows a mosaic of people linked to the tragedy, while the criminal trial unfolds in Jackson County.

[Dir. Gary Lundgren - 2024 - 126m]

## AJ Woods: Hawk is Listenin' Album Release Party

OCTOBER 26 (SATURDAY): 7:00pm — ALL SEATS JUST \$10  
Local singer-skateboarding-songwriter AJ Woods has a brand new album out, so it's time for a special release party and music video premiere, plus other visuals and live music performances by not only AJ, but also JJ Light (a.k.a. Jimmy Stallings, formerly of the legendary Sir Douglas Quintet) and Tarantula Hawk! Check the Guild Cinema website for updates on additional special guests.

## The Bears on Pine Ridge

OCTOBER 6 (SUNDAY): 1:00pm only — ALL SEATS JUST \$8  
AN INDIGENOUS CINEMA SCREENINGS EVENT!  
PRESENTED BY AIO & NATIVEZINE PRODUCTIONS  
POST SCREENING DISCUSSION WITH SPECIAL GUEST TBA  
The Pine Ridge Indian Reservation has declared a "State of Emergency" after an outbreak of youth suicides devastated the community. Due to a lack of Federal assistance, residents have taken prevention efforts into their own hands. A tenacious Oglala Lakota elder takes charge, rallying the community to get involved, while empowering a resilient young group of suicide survivors to band together to help raise awareness.

[Dir. Noel Octavio Bass - 2024 - 86m]

## Booger, the Cat

OCT 2-3 (WED-THU): 8:00pm only!

The new indie body horror dark comedy of a woman searching for her late best friend's cat, only to be scratched by it with horrifying results — as in, she starts becoming a feline creature! A bold, thought-provoking, deranged, and funny debut that claws right into the complex emotions surrounding loss and grief.

[Dir. Mary Dauterman - 2024 - 78m]

## Bram Stoker's Dracula (1992)

OCTOBER 5 (SATURDAY): 10:30pm only!  
A DARK ROOM HORROR SPECIAL! ALL SEATS \$10

From Academy Award-winning director Francis Ford Coppola comes the classic and chilling tale about the devastatingly seductive Transylvanian prince (Gary Oldman) who travels from Eastern Europe to 19th-century London in search of human love ... and blood. Also starring Anthony Hopkins, Winona Ryder, Keanu Reeves, Tom Waits, and many others!

[Dir. Francis Ford Coppola - 1992 - 136m]

## Creepshow (1982)

OCTOBER 4 (FRIDAY): 10:30pm only!  
A NEW MEXICO ENTERTAINMENT MAGAZINE SPECIAL!

The 1982 Stephen King-penned, George Romero-directed horror anthology classic filled with terror and humor! It's six grisly EC Comics inspired tales about a murdered father rising from his grave, a bizarre meteor, a vengeful husband, a mysterious crate's occupant, a plague of cockroaches, and a disgruntled boy.

[Dir. George Romero - 1982 - 120m]

## Daaaaaali!

OCT 8-10 (TUE-THU): 4:30, 6:15pm

Prolific absurdist Quentin Dupieux's delightfully daffy homage to the famed surrealist painter Salvador Dali plays out like a comical metaphysical roller coaster ride as if Luis Bunuel were directing a script by Monty Python! Completely insane hilarity unlike nearly anything you'll see in a movie theater!

[Dir. Quentin Dupieux - 2024 - 77m - France - In French with English subtitles]

[Dir. Sean Wang - 2024 - 93m]

## Dusty & Stones

OCT 21-24 (MON-THU): 6:00pm only!

An amazing Swaziland to Nashville and Texas country music odyssey documentary! The remarkable ride of cousins Gazi "Dusty" Simelane and Linda "Stones" Msibi, a determined duo of struggling country singers from the tiny African Kingdom who long for their big break here in the United States, is intimately chronicled as they travel the American South to compete in a battle of bands in the small town of Jefferson Texas.

[Dir. Jesse Rudoy - 2024 - 84m]

## Eyes Without a Face (1960)

OCT 26-27 (SAT-SUN): 1:00pm only!

AN ARTHOUSE CLASSICS SERIES HALLOWEEN PICK!

Supremely talented Georges Franju's exquisitely horrific feature about a brilliant, obsessive doctor attempting a radical plastic surgery to restore the beauty of his daughter's disfigured countenance at a ghastly price. At once dreamy, haunting, and deviant, this is an elegantly classic film of sadism and shadowy grace, often suggesting an aberrantly moody Tennessee Williams.

[Dir. Georges Franju - 1960 - 90m - France - In French with English subtitles]

## The Exorcist III: Legion (1990)

OCTOBER 26 (SATURDAY): 10:30pm only!

An unforgettable showdown ensues, featuring some of modern horror's most unforgettable scares along with exceptional supporting performances from Jason Miller (*The Ninth Configuration*) and Brad Dourif (*Dune*)!

[Dir. William Peter Blatty - 1990 - 110m]

## Frankie Freako

OCT 8-10 (TUE-THU): 8:00pm only!

The newest from the director of *Psycho Goreman*, a tiny terror blast for the Halloween season! After calling a late-night party hotline, uptight yuppie Conor Sweeney must battle pint-sized forces of evil led by a maniacal rock 'n' roll goblin!

[Dir. Steven Kostanski - 2024 - 82m]

35mm FILM PRINT WITH DIRECTOR IN PERSON!

A WAY OUT WEST FILM FEST CO-THROW!

A legendary queer cyber-paranoia eco dystopian classic about a young lesbian couple's child on Staten Island mysteriously vanishing after consuming radiated fish. The search to find the child brings about a vast conspiracy involving a ghost ship of nuclear refuse, ominous media messages, and deadly cat food!

The Guild Cinema in April 1980  
(photographer unknown)

## In the Summers

OCT 4-7 (FRI-MON): 3:30, 8:00pm

The newly released superb father and daughters drama set in NM, spanning four formative summers as the young girls go from adolescence to adulthood with their loving but unpredictable dad. A lyrically framed queer coming-of-age story that's tender, engagingly fresh, and true to life.

[Dir. Alessandra Lacorazza - 2024 - 98m - In English & Spanish with English subtitles]

## Music for Mushrooms

OCT 21-24 (MON-THU): 4:00, 8:00pm

A narrative documentary highlighting the personal journey of shamanistic musician and filmmaker East Forest (Krishna-Trevor Oswalt) — a collaborator of the late Ram Dass — whose bold experiments pair music with guided psychedelic experiences to create spaces of healing for a fractured world.

[Dir. Krishna Trevor Oswalt - 2024 - 83m]

## Peter Lorre Halloween Double Feature!

Two movies for the price of one! See one or see both for the same price!

### MAD LOVE (1935)

OCT 29-31 (TUE-THU): 3:00, 6:45pm

One of Lorre's creepiest performances as a famed plastic surgeon whose sadistic obsession with an actress drove him over the edge of sanity. Dr. Gogol (Lorre) is in love with Yvonne Orlic (Frances Drake), an actress whose appearance in a Grand Guignol-like horror theater has him smitten to the extreme!

[Dir. Karl Freund - 1935 - 70m]

### THE BEAST WITH FIVE FINGERS (1946)

OCT 29-31 (TUE-THU): 4:45, 8:15pm

A secretary (Lorre) devoted to a wheelchair-bound piano virtuoso has a passion for the occult. Poring through every book on the supernatural he can find in his employer's vast library, he begins to imagine strange and terrifying things. But after the pianist's tragic death, the line between reality and unimaginable terror is blurred as the severed hand from the corpse begins killing everyone in the villa!

[Dir. Robert Florey - 1946 - 88m]

Fascinating, urgent, important, and chilling for our times!
